# The Little Jar of Oil

Long ago, the Yidden had the beautiful Beis Hamikdash in Yerushalayim. Every day, a Kohen lit the golden Menorah there with pure olive oil.

Then came a hard time. People who did not want the Yidden to keep the Torah came into the Beis Hamikdash and made all the oil tamei, not pure.

With Hashem's help, the Chashmona'im sent them away. They cleaned the Beis Hamikdash until it shone. Now they wanted to light the Menorah again. But where could they find pure oil?

They looked and looked. At last they found one little jar of oil with the Kohen Gadol's seal on it. It had only enough oil for one day.

They lit the Menorah anyway. The next day, it was still burning! And the next day, and the next... The little jar of oil lasted for eight whole days!

Hashem made a nes! That is why we light the menorah for eight nights of Chanukah and thank Hashem.

## Let's Think!

**1. Where did the Kohen light the Menorah?**

**2. What did they find when they looked for pure oil?**

**3. How many days did the little jar of oil last?**
