ABOUT THIS CATALOGUE

# Little Champions Indoor Play

A curated collection of premium soft-play structures, active sport sets, balance trainers, and modular climb-and-slide equipment for indoor nurseries, childcare centres, international schools, and residential playrooms. Every product supports gross motor development, spatial awareness, and social play for children aged 1 to 6 years.

### SAFETY FIRST

Every product meets SS 457 and EN 1176 playground safety standards, engineered for Singapore's tropical climate.

### PREMIUM BUILD

UV-stable HDPE, European-grade timber, and powder-coated galvanised steel built for years of heavy public use.

### END-TO-END

From site assessment and custom design to installation, EPDM surfacing, and ongoing maintenance.
