TRACKCHAIR® FALCON

MSRP $27,585

The FDA-cleared (#K163451) Trackchair® FALCON is the only FDA-cleared all-terrain wheelchair that can transition users into a full standing position - and be driven while standing or sitting. Offering all the capabilities of the EAGLE with the added advantage of powered standing, the FALCON supports respiratory, cardiovascular, and digestive health benefits associated with upright mobility. Built to precise FDA specifications and eligible for government finance options, it's available in four sizes with extensive color choices, accessories, and user-focused modifications. The FALCON delivers unmatched versatility, freedom, and off-road performance in a standing-capable platform.
