ABOUT THE DRIVER

I am Jarrett Anderson from Granite Falls, NC and I compete in the Renegade (Pure Stock/Super Street) division at Tri-County Speedway. In my first full-time season, which was last year, I finished 5th in points at two different tracks. I would love to have the same consistency as last year, but have a couple of wins to add to the list! Jarrett currently competes for points at Tri-County Speedway and races at other nearby regional tracks depending on scheduling. His program continues to grow each season with a

strong focus on performance, professionalism, and representing partners both on and off the track. I love the people that are in my corner who support me each step of the way. My wife and girls are my biggest cheer leaders! If it weren't for them, I wouldn't be able to have the confidence I have. I have worked in the trucking/furniture hauling business for the last 10 years. My family was also in the business from the 1930s until the mid 2000s. Candace and I have been together for 10 years and we have 2 girls. Evelyn who is 7 and Abigail who is 4. They love hanging out in the garage and at the track. It is definitely something that is in our blood. My dad has been in racing off and on since 1972 so the tradition is being passed along for sure!
