

2026 Pensacola Greek Festival Sponsorship Opportunities

The Pensacola Greek Festival returns for its 66th year on November 6, 7, and 8, 2026; continuing one of Pensacola's longest running and most recognized cultural events. Each year, thousands of visitors from across the Gulf Coast attend to experience authentic Greek food, pastries, music, dancing and hospitality. Sponsoring this event provides a valuable opportunity to align your business with a highly attended community tradition while gaining direct visibility throughout the festival weekend.
