This conference is a call back to God’s Word in a generation when many churches face spiritual weakness, doctrinal compromise, shallow teaching, and leadership challenges. As baptist pastors and Bible teachers, we believe that the strength of the local church depends upon faithful exposition of Scripture, sound doctrine, spiritual conviction, and trained Biblical leadership.

The purpose of this gathering is to equip pastors, leaders, evangelists, Bible students, and Christian workers through:

- Expository preaching rooted in Scripture
- Biblical leadership development
- Hermeneutics and faithful interpretation
- Evangelism and apologetics
- Church ministry training
- Prayer, discipleship, and ministry renewal

We are prayerfully expecting nearly 500 pastors, leaders, and believers from different regions of India to attend this conference. We humbly request your partnership in the following ways:

- Kindly announce this conference in your church services, Bible studies, and ministry gatherings
- Encourage pastors, youth leaders, evangelists, and Bible teachers to attend
- Pray for revival, spiritual renewal, and doctrinal strengthening in our churches
- Share this invitation and brochure among your ministry networks and fellow servants of God

We sincerely thank you for your involvement in Biblical ministry and your partnership in advancing Christ-centered leadership.

May the Lord continue to bless and encourage your ministry for His glory.

Together in Christ,

GOOD NEWS 360
