SCREEN PRINTING MACHINE NS301-M USER MANUAL

We continue to be committed to provide you tools with competitive price.

"Save Half", "Half Price" or any other similar expressions used by us only represents an estimate of savings you might benefit from buying certain tools with us compared to the major top brands and does not necessarily mean to cover all categories of tools offered by us. You are kindly reminded to verify carefully when you are placing an order with us if you are actually saving half in comparison with the top major brands.

Product description

Colour: **4 Color 4 Station**

4 Color 4 Station Silk Screen Printing Press Machine Heavy Duty DIY Introduction:

Adjustable double-spring devices are available for screen frames of different weight.

Table type and combinatorial design saves place and convenient for transportation.

This silk screen printing machine is all-metal construction, advanced electrostatic spraying and electroplating, durable and easy to clean.

This screen printing machine can be applied to costume, woven fabric, metal, paper, copybook, plastic, wood, glass, ceramic, leather and other products which need flat printing.
