

Privacy Policy

1. Overview

At DreamwayAU, we respect your privacy and are committed to protecting your personal data in accordance with the Australian Privacy Principles (APPs) contained in the Privacy Act 1988 (Cth). This policy outlines how our software platform collects, uses, and safeguards your information.

2. Information We Collect

To power the application logic and provide tailored data insights, we collect the following types of information when you interact with the Platform:

- **Profile Data:** Age, English language proficiency scores, and relationship status.
- **Occupational Data:** Details regarding your current or intended profession, mapped against our comprehensive database of assessing authorities and occupations.
- **Location Preferences:** Specific geographic inputs, including granular data like targeted city and suburb names, which help our system filter location-specific public visa criteria.
- **Technical Data:** IP addresses, browser types, and platform usage metrics.

3. How We Use Your Data

The core function of DreamwayAU is data matching. We use your inputs exclusively to:

- Refine our software prompts and query our logic matrix to present you with relevant public migration and job market data.
- Improve the user interface and platform functionality for future users.
- Maintain the security and operational integrity of the business.

We do **not** use your data to conduct individual legal assessments or make subjective determinations about your migration prospects.

4. Data Sharing and Third Parties

We do not sell your personal data. We may share anonymised, aggregated data with software development partners solely for the purpose of refining the application's backend logic and prompts.

5. Data Security and Retention

We implement robust technical and organisational measures to secure your personal data against unauthorised access. We retain your profile data only for as long as necessary to fulfil the purposes outlined in this policy or as required by Australian law.

6. Your Rights

You have the right to access, correct, or request the deletion of your personal data stored on the Platform. To exercise these rights, please contact our support team through the user dashboard.
