

Terms of Service

1. Introduction and Acceptance

Welcome to DreamwayAU ("the Platform"). By accessing, registering for, or using our software platform, you agree to be bound by these Terms of Service. The Platform operates as a commercial entity under an active Australian Business Number (ABN).

CRITICAL DISCLAIMER: DreamwayAU is a data aggregation and exploration software tool. We are NOT Registered Migration Agents or Australian Legal Practitioners. We do not provide "immigration assistance" under the Migration Act 1958 (Cth).

2. Nature of the Software and Service

DreamwayAU provides a technical interface designed to map user inputs against publicly available criteria sourced from the Department of Home Affairs and relevant assessing authorities. The application logic matches parameters—such as your chosen profession from a database of hundreds of recognised occupations, and specific location inputs—against static visa data.

- **No Migration Advice:** Any output generated by the Platform is a technical data match, not a professional assessment of your personal circumstances.
- **No Guarantee of Success:** Aligning with the software's baseline criteria does not guarantee eligibility or a successful visa application.
- **Self-Directed Research:** The Platform is intended solely for preliminary research. We strongly advise taking your insights to a licensed professional for legal guidance.

3. User Inputs and Platform Logic

To provide accurate data filtering, the Platform relies on the granularity of your inputs. You are responsible for ensuring the information you input is accurate to receive relevant public data matches regarding salary trends, assessing authorities, and baseline state criteria.

4. Intellectual Property

All content, application logic matrices, database structures, and UI elements on the Platform are the intellectual property of DreamwayAU. Users are granted a limited, non-exclusive license to use the Platform for personal migration research.

5. Limitation of Liability

To the maximum extent permitted by law, DreamwayAU disclaims all liability for any loss, damage, financial expense, or visa refusal resulting from reliance on the Platform's outputs. You proceed with any official applications at your own risk.

6. Governing Law

These Terms of Service are governed by the laws of Queensland, Australia. Any disputes arising in connection with these terms shall be subject to the exclusive jurisdiction of the courts of Queensland.
