The same meal served at the Center is also available for individuals or couples through our home-delivered meals program. Individuals must be 60 years of age or older, homebound, and a Carroll County resident. Frozen meals are also available for the weekend for those who want them. Regulations forbid leaving meals in a cooler, but they may be left in a refrigerator. Please communicate with your driver about the issue. Suggested donation is $3.00 Payable to "Carroll County Council on Aging". Post-dated checks will not be accepted. This is also a great opportunity for a daily wellness check for a loved one.

For Your information

The Carroll County Council on Aging is a local, non-profit 501(C)(3), senior services provider serving Carroll County senior citizens aged sixty and older. Due to a growing need for senior based services and programs, the services provided include congregate meals, home delivered meals, transportation services, and more. Private, tax deductible contributions greatly assist us in providing reliable quality services to senior citizens living throughout Carroll County. We are asking for your help in continuing our services and programs by making a donation in support of our mission of serving seniors. Growing expenses require us to share this reminder about how crucial your donations are and how they go directly toward the mission of serving our senior citizens. Together we can better serve aging adults living here in our very own community, helping those who once operated our farms and factories, maintain an independent life in their own home as long as possible. Please remember the work of the Carroll County Council on Aging in all your giving, in the structure of your will, and when memorials are appropriated. Your gifts will aid and assist many and will be
appreciated for years to come by a senior population in need of a helping hand to remain independent and in their own home as long as possible. Thank you!
