THIRD TERM

Dear Parents

A warm welcome back after the holidays! We trust that you enjoyed a wonderful and restful break with your family and friends. We are excited to begin a new term and look forward to everything that lies ahead as we continue this dance journey together with you and your children.

Our Mothers' and Fathers' Weeks were certainly one for the books! Thank you to every parent who took the time to join us in class, whether by dancing along or simply watching. It was incredibly special for the dancers to share these moments with you, and we thoroughly enjoyed having each one of you with us.

Please take note of the following important announcements for the term:

1. EXAMINATIONS

We are extremely proud of all our dancers who recently completed their SABOD examinations. They achieved an outstanding 100% pass rate, with every dancer obtaining more than 75%. Congratulations to each dancer on this wonderful achievement!

Examination reports will be handed out during the first week of classes.

2. ANNUAL DANCE PRODUCTION

This term we begin preparing for our Annual Dance Production.

Please take note of the dates that were communicated in the Information Letter at the beginning of the year. We kindly ask that dancers attend classes as consistently as possible, as preparations for this event will take place during regular class time.
