From the Desk of the Apostle

"Divine Release of Natural Harvest" ... 2026 Declaration by Apostle Collins

As we enter 2026, I declare in the name of Yeshua, Christ:

1. **This is our year of Divine Release.** What has been held back by delay, resistance, or lack is being released by the hand of God, swiftly, clearly, and completely.
2. **The Lord is breathing on our soil.** Every legitimate seed we have planted through prayer, obedience, diligence, giving, learning, and faithful service will yield a visible, measurable, and timely harvest.
3. **We will not labor in vain.** Our efforts will be fruitful. Our work will be productive. Our time will not be wasted. God is establishing the work of our hands.
4. **I decree accelerated outcomes.** What typically takes long seasons will be accomplished with supernatural speed, because the Lord is compressing time and multiplying results.
5. **I declare open doors and aligned opportunities.** God is arranging the right people, the right places, and the right partnerships for our benefit and for His glory.
6. **We receive wisdom for stewardship.** We will manage our resources with clarity and discipline. We will not squander the harvest. We will store well, invest well, give well, and build well.
7. **I declare natural provision with supernatural backing.** Entrepreneurship, jobs, contracts, clients, sales, promotions, ideas, strategies, and creative productivity are increasing because God is favoring us in ordinary systems.
8. **I reject spiritual sabotage and cycles of loss.** Every pattern of near-success, repeated setbacks, unnecessary expenses, and leaking blessings is broken by the power of God.
9. **I decree peace in our homes and strength in our bodies.** We will harvest with joy, not with sorrow; with endurance, not with burnout; with wholeness, not with anxiety.
10. **I declare a harvest that blesses others.** Our increase will become testimony, generosity, kingdom advancement, and practical help for our families, His Body, and our communities.
11. **We receive favor in the land.** We are remembered for good. We are helped without manipulation. We are honored without striving. God is giving us credible results.
12. **I testify in 2026.** The Lord will do what only He can do, turning long prayers into loud praise and hidden seeds into public fruit.

Therefore, I Declare:

2026 is our year of the Divine Release of Natural Harvest, fruit in the field, fruit in the work, fruit in relationships, fruit in resources, and fruit that remains. I receive it. I walk in it. I steward it. In Yeshua's name, Hallelujah!

"Beloved, this year we are not only praying for miracles, but we are also them. We are watching God release harvest through faithful, daily obedience, and we will gather with gratitude and generosity."

Reflection by Lady Collins

As we enter 2026, we must learn the power of declaration. It is not good enough to think a thing, but words have power, and words are alive when they are spoken. On the last Sunday of 2025, the KDC prophetic council declared our posture for 2026. The attached videos verbally set forth that posture. Please take the time to listen to this 2026 Prophetic Declaration and to commit the words to your memory. No matter what happens in 2026, we will have what we say!

The Leaders Point

by Elder Harvey

As you step into this new season, may your heart be strengthened with fresh faith and steady courage. May God reward your faithfulness, especially in the quiet places where no one sees the prayers you keep praying, the choices you keep making, and the consistency you keep building.

This year don't just aim to survive; aim to grow. May the Lord develop you from the inside out: deeper character, sharper discernment, stronger discipline, and greater love. You are full of God-given potential, and what's in you is not accidental. He formed you with purpose, equipped you with gifts, and called you to increase.

May God grant you wisdom for every decision and clarity for every stretch of the journey. Walk into this year with confidence, not in your own strength, but in the One who goes before you and strengthens you along the way.

"Being confident of this very thing, that He who has begun a good work in you will complete it until the day of Jesus Christ." Philippians 1:6 (NKJV)
