Leading Lazarus Hits #1 on Amazon in Three Categories

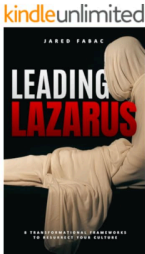

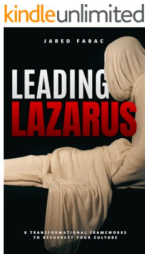

Pastor Jared Fabac's debut leadership book reaches the top of Christian Leadership, Religious Leadership, and Christian Professional Growth within weeks of release.

VIRGINIA BEACH, VA — SEPTEMBER 2026

Leading Lazarus: 8 Transformational Frameworks to Resurrect Your Culture, the debut book from Pastor Jared Fabac, has reached #1 on Amazon in three categories: Christian Leadership, Religious Leadership, and Christian Professional Growth. The book also claimed the #1 spot in Amazon Hot New Releases for all three categories.

Released September 6, 2026 by RW Publishing, the book climbed the charts over its first weeks on the strength of reader word of mouth, holding a 5.0 rating. It is Fabac's first book.

"This room knew before anyone," Fabac said of the readers and leaders who carried the book to the top. "I didn't write this to hit a list. I wrote it for the tired leader staring at a team that looks dead, wondering if it is worth calling the stone away one more time. If landing at number one puts the book in front of more of those leaders, that is the whole point."

AMAZON BEST-SELLER RANKINGS, CAPTURED SEPTEMBER 25, 2026

Leading Lazarus is a field manual, not a memoir. It gives leaders eight named, repeatable frameworks to rebuild a dying culture: the Grace and Truth Matrix, Path, Plan, Pledge, S.T.E.P. Goals, C.O.R.E. Feedback, the Peace Index, Modeling and Multiplication, the Coaching Pathway, and the Change Compass. Each was pressure-tested against real teams, boards, and family systems across Fabac's 20 years in executive leadership before it made the final cut.

Before writing, Fabac commissioned the Culture Resurrection Index, a 1,000-respondent field survey of pastors, executives, and parents. It found that 82 percent of pastors have seriously considered leaving ministry in the last five years, and that 74 percent of them named culture, not compensation, as the reason. The survey shaped which of Fabac's practices made the book.

The book is available now in hardcover, paperback, ebook, and author-narrated audiobook through more than 400 retailers nationwide, and at leadinglazarus.com. Every copy includes a free 8-week digital experience at app.leadinglazarus.com.
