OVERVIEW

Executive Summary

Rhine Cleaning provides exterior cleaning services across Los Angeles and Orange County. We handle window cleaning, pressure washing, solar panel cleaning, soft washing, and much more for residential and commercial properties. Our methods, combined with cutting-edge equipment and advanced technology, meet the demands of today's most complex properties with precision and care.

Our commitment to transparency, minimal disruption, and consistent results makes us the trusted partner for property managers across high-rises, apartment communities, parking garages, and shopping centers.

CAPABILITIES

Core Competencies & Differentiators

● Commercial Window Cleaning

Commercial window cleaning for storefronts, offices, multifamily properties, and warehouses using traditional and purified-water methods.

● Solar Panel Cleaning

Deionized water and non-abrasive tools to clear salt, dust, and buildup without voiding panel warranties.

● Enhanced Reach Capability

Cleans structures up to four stories from ground level; specialized access for mid-rise and high-rise buildings.

● Pressure & Soft Washing

Driveways, walkways, patios, and building exteriors. Soft wash on painted and delicate surfaces to avoid damage.

● Gutter & Roof Cleaning

Full debris removal, downspout flushing, and roof surface cleaning to protect drainage and roofing material.

● Eco-Friendly Practices

Eco-friendly cleaning agents and low-pressure techniques protect landscaping and ensure sustainability.
