

Butterfly ■ Cornrow Braids

Tools Needed

- Rat-tail comb
- Wide-tooth comb
- Hair clips
- Braiding gel or edge control
- Moisturizer or leave-in conditioner
- Braiding hair (optional)
- Hair ties
- Mousse
- Satin scarf

Step-by-Step Directions

- 1 Wash, condition, and detangle the hair thoroughly.
- 2 Apply moisturizer and a small amount of braiding gel.
- 3 Part the hair into the desired butterfly braid sections.
- 4 Use clips to keep sections separated and neat.
- 5 Begin a cornrow braid at the front of the section.
- 6 As you braid, gently pull small loops from the edges to create the butterfly effect.
- 7 Continue braiding while maintaining even tension.
- 8 Repeat the looping technique throughout the braid.
- 9 Finish the braid and secure the end if needed.
- 10 Apply mousse and wrap with a satin scarf for a polished finish.
