

Butterfly ■ Cornrow Braids

Tools Needed

- Rat-tail comb
- Wide-tooth comb
- Sectioning clips
- Braiding gel or edge control
- Leave-in conditioner
- Braiding hair (optional)
- Hair ties
- Mousse
- Satin scarf

Step-by-Step Directions

- 1 Cleanse and detangle the hair.
- 2 Apply leave-in conditioner and braiding gel.

- 3 Part the hair into your desired braid pattern.
- 4 Secure unused sections with clips.
- 5 Begin a cornrow braid at the front of the section.
- 6 As you braid, gently pull loops from the braid to create the butterfly effect.
- 7 Continue braiding while keeping parts neat and even.
- 8 Repeat the loop-pulling technique throughout the braid.
- 9 Finish and secure the braid ends.
- 10 Apply mousse and wrap with a satin scarf to set the style.
