

Flat Twist

Tools Needed

- Rat-tail comb
- Wide-tooth comb
- Sectioning clips
- Leave-in conditioner
- Twisting cream or gel
- Spray bottle with water
- Hair ties
- Edge brush
- Satin scarf

Step-by-Step Directions

- 1 Wash, condition, and detangle the hair.
- 2 Apply leave-in conditioner and twisting cream.

- 3 Part the hair into sections.
- 4 Divide a front section into two strands.
- 5 Begin twisting while adding hair along the scalp.
- 6 Continue the flat twist toward the back.
- 7 Twist the remaining hair to the ends.
- 8 Secure with a hair tie if needed.
- 9 Repeat throughout the head.
- 10 Wrap with a satin scarf to set the style.
