

Starter Locs

Tools Needed

- Shampoo
- Conditioner
- Rat-tail comb
- Sectioning clips
- Loc gel or locking cream
- Spray bottle
- Hair ties
- Blow dryer (optional)
- Satin scarf or bonnet

Step-by-Step Directions

- 1 Cleanse the hair and scalp thoroughly.
- 2 Detangle and lightly moisturize the hair.
- 3 Create neat sections using a rat-tail comb.
- 4 Secure sections with clips or hair ties.
- 5 Apply loc gel or locking cream to each section.
- 6 Start each loc using comb coils, two-strand twists, or braids.
- 7 Keep sections uniform for a consistent look.
- 8 Allow the hair to dry completely.
- 9 Protect the style at night with a satin bonnet or scarf.
- 10 Maintain the locs with regular retwists as they mature.
