

Stitch Braid Tutorial

Tools Needed

- Rat-tail comb
- Wide-tooth comb
- Hair clips
- Edge control or braiding gel
- Moisturizer or leave-in conditioner
- Braiding hair (optional)
- Hair bands
- Mirror
- Hair oil or mousse

Step-by-Step Directions

- 1 Wash, condition, and detangle the hair.
- 2 Apply moisturizer and braiding gel.

- 3 Create a clean section with a rat-tail comb.
- 4 Part the hair into even stitch sections.
- 5 Apply gel to define each stitch line.
- 6 Start a cornrow with three strands.
- 7 Feed in hair from each stitch section as you braid.
- 8 Keep the braid neat and close to the scalp.
- 9 Continue to the end of the row.
- 10 Secure the braid and repeat as needed.
- 11 Finish with mousse and oil for shine.
