welcome

*At **Tobique Wood Fired Pizza Catering,** we bring the irresistible aroma and bold flavor of authentic wood fired pizza straight to your event. Whether you're hosting a wedding, corporate gathering, birthday party, or community celebration, our mobile pizza oven delivers a unique culinary experience that your guests will rave about.*

Our three-day cold fermented pizza dough is the foundation of every slice. Slowly developed to enhance flavor and achieve the perfect texture, We craft each pizza using locally sourced ingredients and paired with premium, freshly prepared toppings—including our smoked bacon, hand-seasoned sausage and donair meat, or tender pulled chicken. Baking, to perfection in a traditional wood fired oven, delivers a crispy crust and bold, smoky flavor.

To ensure no one on your guest list misses out on the pizza party, we offer gluten-free crust, lactose free cheese and vegan options.

Let us turn your next event into a delicious memory!
