

RHM Referral Ministry

Refer learners. Share trusted pathways. Stay focused on the ministry already entrusted to you.

PATHWAY 01

A church-serving pathway for biblical counseling education, ministry formation, and practical care.

Who this pathway is designed for

- Churches, recovery ministries, chaplaincy teams, and community organizations seeking a trusted education referral relationship.
- Leaders who do not need local cohort administration or training-center branding.
- Organizations that want a low-complexity beginning with room to grow later.

CORE SERVICES	CLEAR BOUNDARIES
● Institutional relationship orientation. ● Approved referral language and claims guidance. ● Product-link and disclosure guidance for approved offers. ● Annual relationship and quality review.	● Affiliate approval requires a separate Affiliate Agreement. ● No local academic delivery, facilitator authority, or student-record access. ● No Revenue Partner status unless documented product contribution is separately approved. ● No promise of enrollment, income, transfer, employment, accreditation, or licensure.

Compensation is a separate relationship

A Referral Ministry may be approved for the standard 10% Affiliate rate on eligible attributed enrollments. Institutional status alone does not create a commission right.

CLSTG remains separate. These institutional pathways cover only RHM-owned or properly licensed programs. CLSTG courses, tuition, LMS, records, awards, and payment arrangements are not part of this program.
