Medical Risk Assessment

Website-ready PDF based on the current Medical Risk Assessment page.

Website note

The website states that the assessment itself is held in the club records. This PDF reflects the public-facing summary currently shown on the website.

Introduction

Vale of Leithen Football Club is a member of the East of Scotland Football League.

It is the policy of Vale of Leithen Football Club to take all reasonable and practicable steps to safeguard the health, safety and welfare of employees at work and to protect all other persons against hazards to health or safety arising out of the club's activities.

Purpose

This Medical Risk Assessment provides a summary of the club's medical vulnerabilities, outlines defensive measures and records the level of risk the club is willing to accept.

Related Documents
