# CLATSOP CARE CENTER DELIVERS LOCAL HEALTHCARE WE CAN COUNT ON

"As a doctor and North Coast resident, **I've seen generations of local families turn to Clatsop Care Center when a loved one needs help recovering or long-term care.** The facility's staff delivers excellent care despite working in a building designed a century ago. Measure 4-249 would preserve access to affobable skilled nursing care on the North Coast, including care covered by Medicare and Medicaid. **Care close to home matters — for the people receiving it and the families who love them.**"

**— Roy J. Little, MD,** Retired Local Physician

## This November, Measure 4-249 will be on your ballot. Measure 4-249 will help:

- **Expand access to affordable healthcare on the North Coast.**
- **Improve resident safety and privacy.**
- **Help residents receive care close to home.**
- **Provide accountability for bond funds.**
