Work from Anywhere
Work with MobeX

Upgrade your Output: MobeX Touch Accessories

Complement your MobeX Touch T10 & T10 LTE with keyboards or protective cases in a variety of styles and colours. Additional accessories include chargers, replacement parts, and more. You may also consider a second base for your home office, so only the tablet needs to be moved.

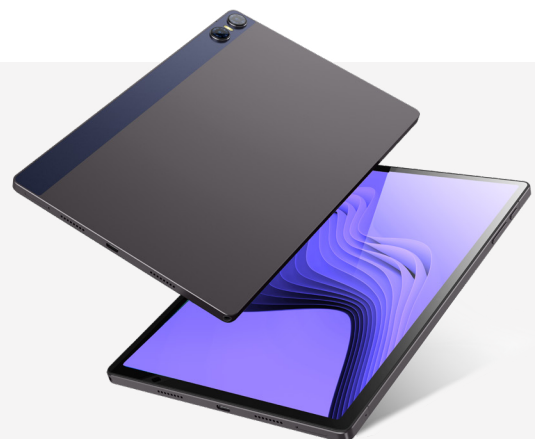

MobeX Touch T10 Tablet

MobeX Touch T10 Tablet

The MobeX Touch T10 Tablet features a 10.9-inch touchscreen, intuitive navigation with built-in MobeX, HD voice and video, and enables collaboration anywhere. *(Sold Separately)*

MobeX Touch T10 LTE Tablet

The MobeX Touch T10 LTE Tablet features a 10.9-inch touchscreen, intuitive navigation with built-in MobeX, HD voice and video. It supports one standard 4G SIM card and one micro SD card (sold separately), offering flexible connectivity, storage, and high-definition collaboration anywhere. *(Sold Separately)*

MobeX Touch T10 LTE Tablet

Mobex Touch Protection Pack

Choose between two durable case options, each providing easy access to all device functions and ports when the tablet is undocked.

Classic Black: Offers simple, sophisticated coverage with a deep, opaque finish for everyday professional use.

Crystal Clear: Provides resilient protection while maintaining the Mobex Touch's clean, original aesthetic.

This accessory set includes an ultra-tough tempered glass screen protector. It guards against scratches and daily wear while guaranteeing 100% full touch sensitivity.

The included precision applicator tool holds the device steady, ensuring a flawless, bubble-free placement for a pristine finish every time.

Aluminium Keyboard

The Black Aluminium Keyboard features a stylish, lightweight aluminium design, full F1–F12 function keys for quick access, stable rubber feet, and versatile connectivity via Bluetooth, 2.4 GHz wireless dongle or standard USB for use with the Mobex Touch docking station. *(Sold Separately)*

Small Layout Keyboard

Small Layout Keyboard

A lightweight, compact black keyboard designed for convenience and efficiency. It features a full set of F1–F12 function keys for quick access and an integrated touchpad for easy navigation, all in a compact, space-saving design. With Bluetooth connectivity, it offers a reliable, wireless typing experience without the clutter of cables. *(Sold Separately)*

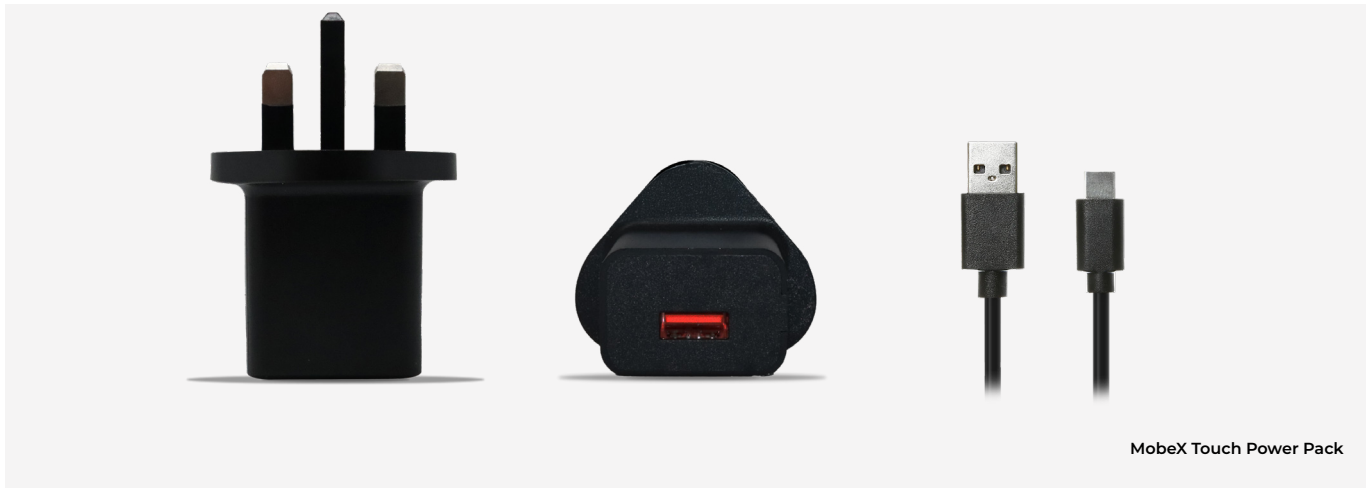

MobEX Touch Hybrid Pack

MobEX Touch Hybrid Pack

This replacement set includes everything you need (tablet not included). It features a stable base with 2x 3W speakers, Bluetooth and speakerphone controls, a magnetic tablet dock, Ethernet, and USB ports. A 3m USB-A to USB-C Charging Lead and a Fast-Charging Power Adaptor are also included. This pack is perfect for hybrid works or people frequently on the move.

MobeX Touch Power Pack
