COMPREHENSIVE  
INSTRUCTIONS AND DETAILS  
ON HOCKEY PROGRAM

# Registration and Profile Setup

## Initial Registration Process

Visit the website ([bosshockey.org](https://bosshockey.org)) to sign up and begin your journey with the hockey program.

## Creating Personal Profile

Complete your profile to access features like clinic registrations and attendance tracking.

## Subscribing to Alerts

Subscribe to alerts to stay informed about updates, schedule changes, and announcements.

# Clinic Sign-Ups and Practice Plan Access

## **Clinic Registration Process**

Players must register and sign up for clinics through the website to access practice plans and schedules.

## **Practice Plan Review**

Reviewing practice plans in advance improves drill transitions and optimizes limited ice time effectively.

## **Coach Demonstrations and Player Preparation**

Coaches demonstrate drills briefly; players should prepare beforehand to enhance performance and understanding.

## **Goalie Communication**

Goalies are encouraged to communicate directly with the goalie coach for drill clarifications and guidance.

# Player Expectations and Preparation

# Attendance, Preparation, and Equipment

## **Attendance Tracking**

Players must create profiles to enable accurate attendance tracking within the BOSS Hockey program. Please strive to show attendance at least 24 hours before the practice.

## **Practice Preparation**

Reviewing practice plans beforehand ensures players arrive mentally ready to perform drills efficiently.

## **Proper Equipment Use**

Players must come equipped with water and helmets labeled with their names for easy identification.

## **Maximizing Ice Time**

Limited ice time requires shared responsibility and proactive preparation to maintain an efficient training environment.

### **Respectful and Positive Attitude**

Players must maintain respect and positivity to create a supportive team environment and enhance performance.

### **Timeliness and Preparation**

Arriving early and being ready before practice ensures smooth sessions and maximum ice time usage. We would ask that all players arrive at the rink 45 min early and are dressed and ready to step on the ice 15 minutes prior to the start of the practice. We will be using this time for the coaches to speak with the players regarding the days agenda.

### **Enthusiasm and Enjoyment**

Players should bring enthusiasm and enjoy the experience to foster discipline and teamwork.

Community,  
Communication,  
and Support

# Parent Involvement and Communication

## **Open Communication**

Parents should maintain open and prompt communication with coaches to address any issues effectively.

## **Volunteer Support**

Volunteers are crucial for player development and program success, deserving respect and understanding.

## **Photography and Streaming**

The program seeks volunteers for photography and live streaming, with parental consent for child appearances in photos.

If you know of anyone willing to volunteer for photography or video stream, please reach out to one of the coaches.

If you do not want your child photographed and posted on the website, please let us know.
