

SUMMER 2026 EDITION

ALPHA SIGMAN

PI KAPPA PHI - UNIVERSITY OF TENNESSEE

ESTABLISHED 1931

2026 SOPHOMORE HOUSE

As we look back on an incredible spring and ahead to the opportunities a new school year will bring, I have nothing but the best to say about Alpha Sigma. This chapter has been a second home for me, providing countless opportunities to grow as a leader and as a person.

With more than 220 members, Alpha Sigma is the second-largest chapter in Pi Kappa Phi. We have continued to build momentum in every aspect of chapter life, from brotherhood and campus involvement to our social and cultural presence.

If given the opportunity, I would do it all over again to relive the best moments of the spring. I am extremely excited and optimistic about the future of this chapter and can't wait for what lies ahead.

WELCOME SPRING '26

We are proud to recognize the 13 members of Nu Class as brothers of the Alpha Sigma Chapter of Pi Kappa Phi. Over the past several months, they have become an integral part of our chapter, building friendships, making memories and embracing what it means to be a Pi Kapp. We're excited to welcome them into the brotherhood and can't wait to see all they accomplish in the years ahead.

I joined Pi Kappa Phi because of how welcome I felt when the guys reached out to me and gave me the opportunity to join. Honestly, after my first conversation, I already knew it was where I was going to end up. I'm looking forward to being on recruitment this fall, getting to share our bond with the next class and watching them become brothers with us and each other.

- Marik Edwards, spring 2026

The brotherhood here is so strong, and I'm always becoming a better version of myself because of it. Not only that, but we also have so much fun every week through our various events. In the fall, I can't wait to host tailgates for the home football games and meet our new fall class.

- Alex Owellen, spring 2026

I joined Pi Kapp because of the great community I found with all of the brothers. When I came to events, everyone spoke so highly of the fraternity, and everyone seemed to really want to be here. My favorite memory this semester was our War of Roses philanthropy week. The week was filled with back-to-back events that were really fun, and were also for a good cause.

- Brady Hillman, spring 2026

PASSING THE TORCH

From one generation to the next, our brotherhood thrives because of the men who choose to step up and carry on Tennessee Pi Kapp's standards.

Think about the students you know who show real leadership, reliability, and character — the ones who would strengthen the chapter and contribute from day one.

Help us identify the next group of men who will honor our past while shaping our future. Share their name, hometown, year in school, the best way to contact them, and why you believe they'd be a strong fit for Pi Kappa Phi with Rainer Williams '24.

VOLS FOR LIFE

We congratulate our graduating seniors. Thank you for all your leadership, friendship and lasting impact on our brotherhood. We wish you continued success in all that lies ahead. ODH!

BROTHERS ABROAD

This past semester, several brothers participated in various study abroad programs across the globe. From Rome and Barcelona to Venice, they embraced opportunities to grow while representing the values of Pi Kappa Phi.

MOM'S WEEKEND

We were happy to welcome all of our amazing moms to Knoxville for a great weekend. From the Friday cookout at the chapter house to Saturday's gathering at the Transcend Club in Neyland Stadium, it was a joy hosting everyone and sharing a memorable few days together.

PHILANTHROPY WEEK

WAR OF THE ROSES

This year's War of the Roses brought the entire chapter together for a week of fundraising and events. 100% of the proceeds benefit The Ability Experience. Throughout the week, the brothers came together in support of a cause greater than themselves.
