LIGHTING

PowerSync 24V Plug-In Power Supplies

POWERSYNC

- MINI power ports for easy installation, with an additional independent MINI port that enables dual control options on the 60W and 96W PowerSync models
- Indicator light changes from green to red, signaling potential power supply damage
- 60W and 96W PowerSync power supplies feature a 5-amp terminal block, supporting higher-wattage applications for enhanced reliability and performance
- Centralized control ports (pink) allow for easy integration of controllers with your lighting system
- Up to 20 PowerSync models can be linked through centralized pink ports (feature coming soon)
- A/C power cord can be cut and shortened* for a tidy, tailored installation

* Unplug the cord before cutting
