We Run For HER

HER Campaign is a non-profit organization that exists to serve women 18+ who are vulnerable and/or victims of sexual exploitation and human trafficking.

We Do This Through:

Crisis Intervention & Emergency Services

We provide 24/7 crisis response, referral line support, case management, safe placement, and inpatient emergency stabilization for survivors.

Outpatient Services

State-licensed outpatient services with therapy, group support, peer mentorship, and case management for long-term healing.

Outreach & Awareness

Training and equipping communities to become safe, informed, and responsive places for survivors, while working with state leaders to influence and strengthen legislation that protects the vulnerable.

“

We rely on the Her Campaign to advocate for and support survivors. I'm proud to work with the HER Campaign to combat this heinous crime in our state.”

– Attorney General Austin Knudsen
