

FOUR DECADES OF OPERATING ROOTS

THE OPERATOR, NOT THE MIDDLEMAN

Jet Access Group is a vertically integrated private aviation company headquartered in Indianapolis, Indiana — owning and operating the full aviation value chain.

01 — THE FULL AVIATION VALUE CHAIN

~30 AIRCRAFT UNDER MANAGEMENT Operated under our own FAA Part 135 air carrier certificate.	4 PART 145 REPAIR STATIONS Maintenance across Indiana, Tennessee, and Florida.	9 FBO LOCATIONS The foundation for every one of our business lines.	8 FLIGHT TRAINING CAMPUSES Across a five-state footprint.	400+ AVIATION PROFESSIONALS One team behind every flight, start to finish.
---	---	--	--	---

“Unlike brokers that collect customer deposits without managing operating assets, Jet Access owns and operates the full aviation value chain.”

Cory Schneider
CHIEF FINANCIAL OFFICER

02 — SAFETY & FINANCIAL STRENGTH

THIRD-PARTY SAFETY STANDARDS

ARGUS Platinum Elite – Progressive IS-BAO Stage 3

Every flight is operated to the industry’s highest independently audited safety standards.

FINANCIAL STABILITY

A long-standing banking relationship with JPMorgan Chase

Your deposit is backed by an operator with real assets — aircraft, hangars, repair stations, and FBOs.

03 — INVESTING IN INFRASTRUCTURE

40,000	sq ft executive hangar development	INDIANAPOLIS EXECUTIVE (TYQ)
25,000	sq ft private terminal and hangar facility	JOHN C. TUNE, NASHVILLE (JWN)
