COLONIAL-GEORGIAN

Reflecting the grandeur and elegance of early American architecture, Colonial-Georgian homes are characterized by their symmetrical facade, formal design, and classic proportions. These stately residences often feature brick or stone exteriors, elaborate moldings, and grand entryways. Inside, you'll find spacious rooms, high ceilings, and a sense of timeless grace and refinement.

CONTEMPORARY

Characterized by clean lines, minimalism, and a focus on open spaces, contemporary homes often feature large windows that blur the boundaries between indoors and outdoors. Neutral color palettes, sleek finishes, and innovative use of materials create a sense of modern sophistication.

CRAFTSMAN

Rooted in the Arts and Crafts movement, Craftsman homes are known for their emphasis on craftsmanship, natural materials, and handcrafted details. These homes typically feature low-pitched roofs with wide eaves, exposed rafters, and sturdy construction. Inside, you'll find open floor plans, built-in furniture, and an inviting, rustic ambiance.

VICTORIAN

Victorian homes are known for their elaborate and ornate detailing, reflecting the architectural styles popular during the reign of Queen Victoria. They often feature asymmetrical facades, intricate trim work, colorful paint schemes, and decorative elements such as turrets, bay windows, and gingerbread trim.
