Parts	$233.00
Labor (10.3 hrs × $80.00)	$824.00
Sales tax on parts (7.75%)	$18.06
Optional wear-and-tear total	**$1,075.06**

The brakes are the only repair that needs to be addressed. The underbody rust is normal wear and tear for a truck of this age and mileage; treatment is optional and preventive. Labor rate $80.00/hr. Ford recalls are performed by Ford dealers at no charge and are not included above. Estimate based on independent shop parts and labor pricing in the Alpharetta, GA area. Final repair costs may vary depending on the shop selected, its labor rate, and parts pricing.
