

Pipeline Navigator

Your guide to
grant funding

Turn funding barriers into sales opportunities ►►►

Pipeline Navigator helps your team connect customers with funding opportunities, shortening sales cycles and helping close more deals.

Research

Find the right funding opportunities for your customers' projects

- 6,500+ verified grantors
- Curated funding matches with Fund Finder
- Continuously updated opportunities

Track

Gain real-time visibility to prioritize your highest-value opportunities

- Automated funding status tracking
- Custom alerts to keep sales teams informed

Close

Earn trust by helping customers secure funding

- Grant planning resources and application support
- Expert coaching throughout the funding process

Grow

Build a repeatable funding strategy for long-term growth

- Keep opportunities moving with ongoing funding insights
- Strengthen customer relationships beyond a single sale

"Pipeline Navigator is invaluable.

In a time when budgets are being cut everywhere, it allows us to offer drone programs to prospects who otherwise couldn't afford them."

- Vincent Nicholson
Territory Sales Manager
