

# Save Sunspot - Build the future, Not Demolish it

*Sunspot is a threatened national asset—a historic New Mexico institution and demolition would erase an irreplaceable educational and economic treasure.*

**The Future  
Space Hub  
of  
New Mexico**

**Protect it.  
Reimagine it.  
Don't demolish it.**

## **The Vision**

*Imagine Sunspot as a place  
where*

**science**

**education**

**recreation**

**astrotourism**

*come together – a destination  
found nowhere else in the  
country.*

**Together, we can turn  
demolish into renewal!**

## **Join the Movement**

- *Speak out.*
- *Contact your local & state representatives.*
- *Share your support for a New-Mexico-led solution that protects Sunspot's legacy & builds its future.*
