

Decorative Glass Panel Collection

A curated showcase of artisan decorative glass panels — each piece inspired by the world's most breathtaking natural landscapes. From polar dawns to golden deserts, every panel is crafted to transform interiors with texture, depth, and poetic beauty. Standard size: **2440×1830MM / 2440×3660MM** · Thickness: **4–6mm**

S-Series: Atmospheric Landscapes

The S-Series captures the raw drama of nature — moody skies, glacial lakes, and golden horizons — rendered in richly textured glass surfaces.

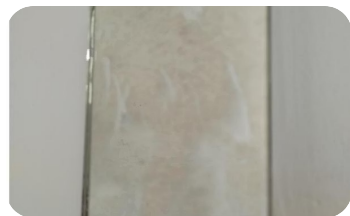

S-301 · Polar Sunrise

Dark moody tones with a blazing amber glow breaking through a textured sky.

2440×1830MM

4-6MM

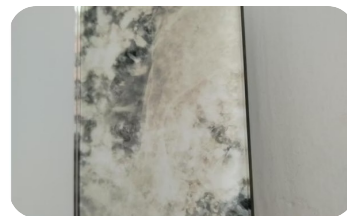

S-302 · Lead Sea Salt White

Soft off-white and light beige tones with subtle depth and gentle movement.

2440×1830MM

4-6MM

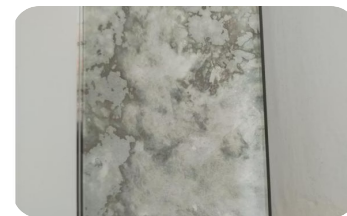

S-303 · Qinghai Lake Blue

Dramatic white, grey, and black marbling evoking the vast Qinghai plateau.

2440×1830MM /
2440×3660MM

4-6MM

S-304 · Black Forest Fog

Dense cloud-like formations in silver and grey, reminiscent of a misty forest.

2440×1830MM /
2440×3660MM

4-6MM

S-Series: Gold, Earth & Water

Warm golden hues, river-inspired swirls, and earthy tones define this group — perfect for statement walls and luxury interiors.

S-305 · The Rhine Gold

Rich amber and golden-brown marbling, luminous and warm. Size: 2440×1830MM / 2440×3660MM · 4–6mm

S-306 · Black Sea Grey

Muted grey and warm brown patches scattered across a silver field. Size: 2440×1830MM / 2440×3660MM · 4–6mm

S-307 · Rosy Yangtze River

Swirling beige, cream, and muted blue-grey brushstrokes in an abstract river composition. Size: 2440×1830MM / 2440×3660MM · 4–6mm

S-308 · Prairie Wind Yellow

Large, irregular organic shapes in shades of yellow and cream drift across a luminous background — like wind-scattered petals over an open prairie. A statement piece for spaces that demand lightness and warmth.

S-Series: Desert, Prairie & Arctic

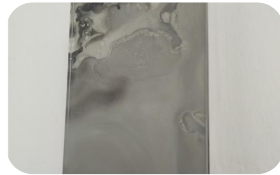

From the Gobi's golden dawn to the Arctic's starlit blue, these panels bring the world's most remote and awe-inspiring vistas into your space.

S-309 · Gobi Sunrise

Dark blue-grey field with scattered golden-brown and white bursts — a desert dawn captured in glass.

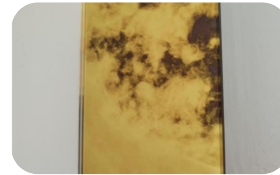

2440×1830MM

S-310 · Prairie Star Blue

Fluid dark swirls on a cool grey ground, evoking a vast prairie sky at night.

2440×1830MM

S-311 · Yellow River Yellow

Warm amber and golden-brown tones flowing like the legendary Yellow River.

2440×1830MM / 2440×3660MM

S-312 · Kanas Green

Lush green and white marbling inspired by the pristine Kanas Lake region.

2440×1830MM / 2440×3660MM

100-Series: Elemental Textures

The 100-Series explores raw elemental beauty — lava flows, salt lakes, golden sands, and polar snows — each panel a window into the earth's most dramatic formations.

S-103 · Foglock Lava

White cracked lava-like patterns with a warm yellow base. 2440×1830MM · 4-6mm

S-104 · Salt Lake Rikin

Brown, white, and yellow marbling evoking mineral-rich salt lake shores. 2440×1830MM / 2440×3660MM · 4-6mm

S-105 · Nile Gold

Dense organic gold, brown, and cream marbling — opulent and timeless. 2440×1830MM / 2440×3660MM · 4-6mm

S-106 · Polar Snow White

Delicate white and light grey veining — pure, serene, and luminous. 2440×1830MM · 4-6mm

100-Series: Desert Gold & Aurora

S-107 · Saharan Gold

Dense intricate pattern of irregular yellow and light brown spots against a darker brown background — the Sahara's golden sands in glass form. Size: 2440×1830MM / 2440×3660MM · 4-6mm

S-108 · The Aurora Shines Brightly

Irregular brown and white blotches on a light beige background — capturing the fleeting magic of an aurora display. Size: 2440×1830MM · 4-6mm

S-114 · Sahara Sand

Sand dunes and a dark rocky horizon under a pale sky — the Sahara's timeless silence. Size: 2440×1830MM · 4-6mm

S-201 · Andean Glow

Textured grey, white, and blue tones evoking the high-altitude glow of the Andes. Size: 2440×1830MM / 2440×3660MM · 4-6mm

200-Series: Ocean, Mountain & Volcano

Inspired by the world's great bodies of water and geological wonders — from Pacific shores to volcanic lakes and cherry-blossom peaks.

S-204 · Pacific Glow

Light beige and cream tones with dark grey and black veining — the Pacific's luminous horizon.

2440×1830MM /
2440×3660MM

4-6MM

S-208 · Kunlun Frost Blue

Beige and cream with dark grey veining — the icy grandeur of the Kunlun Mountains.

2440×1830MM /
2440×3660MM

4-6MM

S-210 · Volcanic Lake Grey

Dark grey and black speckles on a light grey ground — the brooding stillness of a volcanic crater lake.

2440×1830MM /
2440×3660MM

4-6MM

2# · Fuji Cherry Red

Reddish-brown and pinkish tones on a light background — the blush of cherry blossoms on Mount Fuji.

2440×1830MM /
2440×3660MM

4-6MM

Numbered Series: Sea, Prairie & Forest

A diverse palette of nature-inspired patterns — from coral seas and polar reds to misty prairies and lush river greens.

3# · Coral Sea Blue

White background with dark irregular marbling — the depth of a coral sea. 2440×1830MM · 4–6mm

5# · Polar Bright Red

Light grey textured marbling with subtle warmth. 2440×1830MM · 4–6mm

6# · Desert Fog Grey

Dark grey and light beige marbled textures — a desert at dusk. 2440×1830MM / 2440×3660MM · 4–6mm

30# · Prairie Frost White

Light grey and white marbling with circular frost patterns. 2440×1830MM / 2440×3660MM · 4–6mm

12# · Mekong River Green

Mottled grey-green marbling evoking the lush banks of the Mekong. 2440×1830MM / 2440×3660MM · 4–6mm

19# · Maple Red

Rich red, brown, and white marbling — the fiery palette of autumn maple leaves. 2440×1830MM / 2440×3660MM · 4–6mm

7# · Alpi Snow

White, grey, and blue marbling with a decorative border — Alpine purity. 2440×1830MM / 2440×3660MM · 4–6mm

FG-Series: World Landscapes in Glass

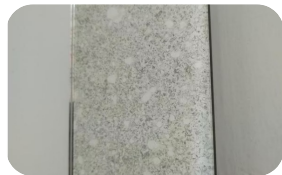

The FG-Series draws inspiration from iconic landscapes across every continent — from African gold to Himalayan snow, each panel tells a global story.

FG-01 · Fuji Snow

Light-colored irregular patches on a darker textured background — the snow-capped serenity of Mount Fuji.

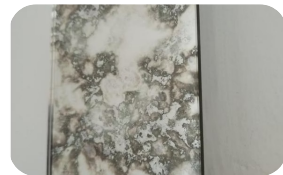

2440×1830MM / 2440×3660MM

FG-02 · North America Snow

Small dark irregular shapes on a light grey background — a vast snowfield stretching to the horizon.

2440×1830MM / 2440×3660MM

FG-03 · Gobi Wind Yellow

Light-colored irregular patches on a darker background — the wind-sculpted dunes of the Gobi Desert.

2440×1830MM / 2440×3660MM

FG-05 · African Gold

Irregular organic shapes in brown and gold — the sun-baked richness of the African savanna.

2440×1830MM / 2440×3660MM

FG-Series: Rivers, Forests & Mountains

FG-08 · Cherry Forest Powder

Beige, brown, and grey marbling — the soft haze of a cherry blossom forest. 2440×1830MM / 2440×3660MM · 4–6mm

FG-09 · Danube Blue

Blue and grey organic shapes — the flowing grandeur of the Danube River. 2440×1830MM / 2440×3660MM · 4–6mm

FG-10 · Ganges Fog Grey

Grey, black, and white marbling — the sacred mist rising over the Ganges. 2440×1830MM / 2440×3660MM · 4–6mm

FG-21 · Sunshine Golden Mountain

Brown, gold, and black marbling — sunlight breaking over a golden peak. 2440×1830MM · 4–6mm

FG-23 · A Babbling Brook

Light beige and cream marbling — the gentle clarity of a mountain stream. 2440×1830MM · 4–6mm

FG-26 · Atlantic Grey

Dark grey and black marbling — the deep, powerful Atlantic Ocean. 2440×1830MM / 2440×3660MM · 4–6mm

JR-Series: Nature's Finest Textures

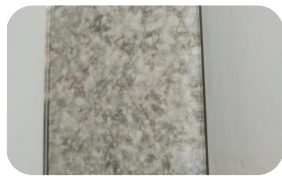

The JR-Series is a celebration of natural texture at its most expressive — from coniferous forests dusted in snow to desert moonscapes and lush prairie greens.

JR-35 · Desert Bright Red

Dense mottled grey, green, and beige — a vivid desert terrain at high noon.

2440×1830MM /
2440×3660MM

JR-1 · Genevene Bright

Light and dark grey with brown tones — the bright, textured shores of Lake Geneva.

2440×1830MM

JR-1A · Clear Sky Sand Sea

Mottled grey and brown — a clear sky reflected in a shimmering sand sea.

2440×1830MM

JR-2# · Coniferous Forest Snow

Light surface with small dark spots — a snow-dusted coniferous forest in winter.

2440×1830MM /
2440×3660MM

JR-Series: Moon, Prairie & Arctic

JR-3 · Desert Moon Silver

Light surface with dark irregular spots — the silver silence of a desert under moonlight. 2440×1830MM / 2440×3660MM · 4–6mm

JR-7

Dense intricate marbling in grey, black, and white — a dramatic, high-contrast statement surface. 2440×1830MM / 2440×3660MM · 4–6mm

JR-10

Grey, black, and white marbling with an open, airy composition. 2440×1830MM · 4–6mm

JR-11 · Prairie Mist Green

Dark green spots and streaks on a lighter green and white ground — a prairie at dawn. 2440×1830MM / 2440×3660MM · 4–6mm

JR-15 · Arotio Green Light

Dense irregular green and white speckles — the dappled light of a tropical forest. 2440×1830MM · 4–6mm

JR-17 · Sunshine Golden Mountain

Light beige with small dark spots — sunlight scattered across a golden mountain slope. 2440×1830MM / 2440×3660MM · 4–6mm

JR-Series: Polar, Rain & Island

The final JR panels push into the extremes — polar blues, rain-washed rivers, and the dramatic contrast of island archipelagos seen from above.

JR-37 · Polar Bright Red

Light beige with large dark irregular spots — bold, graphic, and striking.

2440×1830MM / 2440×3660MM 4-6MM

JR-38 · Polar Bright Blue

Dark surface with dense irregular spots and streaks — the deep, mysterious polar night.

2440×1830MM / 2440×3660MM 4-6MM

JR-36 · Rain Fall River

Light surface with dense irregular light streaks — rain falling on a shimmering river.

2440×1830MM / 2440×3660MM 4-6MM

JR-40 · Raing Islanel

Large irregular white and light grey spots against a dark grey background — islands emerging from a dark sea.
2440×1830MM · 4-6mm

JR-41 · Greenland Snow

Smaller, more numerous white and light grey spots against dark grey — the endless snowfields of Greenland.
2440×1830MM · 4-6mm

Specification Overview

All panels in this collection share consistent technical specifications, ensuring seamless integration into any architectural or interior design project.
