(718) 475-3676

SCAN TO REFER

When a wound becomes too complex for routine care, that is where we come in.
We work alongside your team. Our certified wound specialists (NP and MD) step in when wounds need
advanced therapies and treatments that go beyond what a standard nursing visit can offer.
Keep your patients home, healing, and out of the hospital.
Covered under Medicare Part B — no cost to refer.
