TRACKCHAIR®
ST
MSRP $13,775

The Trackchair® ST spawned a revolution in 2009, setting the standard for off-road mobility and empowering thousands to experience the outdoors like never before. Engineered for rugged, dependable performance, the ST is a proven companion for exploration. Its wide frame and industry-leading track system create a stable foundation capable of handling sand, mud, snow, and shallow water with ease. The ST delivers unmatched durability, functionality, and comfort in one powerful package.

* Battery range is dependent of many variables including but not limited to weather, terrain, weight of the user, battery age, etc.
** Warranty is for parts only. This warranty provides no coverage for personal loss or expense, including mileage, transportation costs, hotels, meals, shipping or handling fees, product pick-up or delivery, replacement rentals, loss of product use, loss of profits, or loss of vacation or personal time. If your Trackchair® requires warranty service, please contact the Trackchair® Dealer in your area.
ATZ Manufacturing, 1105 Lake Road, Marshall, MN 56258 gives a ONE YEAR LIMITED WARRANTY on all components of your Trackchair® against defects in material or workmanship. Warranty is not transferable to another owner. This Trackchair® limited warranty excludes any failures that are not caused by a defect in material or workmanship. WARRANTY DOES NOT COVER CLAIMS OF DEFECTIVE DESIGN. Warranty also does not cover acts of God, accidental damage, normal wear and tear, abuse, or improper handling. Warranty also does not cover any Trackchair® component, or part that has been altered structurally, modified, neglected, improperly maintained, or purposes other than for which it was designed. Warranty excludes damages or failures caused by external stress, heat, cold or contamination; abuse, accident, fire; operator error or abuse; improper component alignment, tension, adjustment or altitude compensation; snow, water, dirt or other foreign substance ingestion/contamination; improper maintenance; modified components; use of aftermarket or unapproved components, accessories, or attachments; use of unapproved software or calibration; unauthorized repairs; or repairs made after the warranty period expires or by an unauthorized repair center.
