modo

Modo Breeze

Ultra-Lightweight Carbon Fiber Electric Wheelchair

Crafted from lightweight carbon fiber, the Modo Breeze folds instantly for seamless travel and easy handling.

Built for everyday ease

This ultra-lightweight carbon fiber electric wheelchair folds in seconds, making it easy to load into a car, van, or public transportation. The chair's quick release lithium battery also detaches from the device and can be brought on a plane as carry-on.

All-in-One Controller

Features an intuitive color LCD screen with built-in headlight and USB charging port.

Ultra-Lightweight

Unit weighs only 28.6 lbs.* (12.97 kg) without battery and cushions.

Top Speed

Range

Max Incline

Quick, Compact Folding

Folds in seconds for transportation and storage. Can be easily lifted into a car or other vehicle. X-frame design allows the unit to fold nearly flat in a vertical position.

More Features

2" contoured pincore seat cushion for all-day comfort.

Equipped with **two powerful motors** for advanced performance.

Excellent maneuverability: Its compact size, tight turning radius, and intuitive controls make navigating indoor spaces a breeze.

Removable airline-friendly 10Ah Li-ion battery.

Reinforced footrest support adds strength and stability.

*Weight is 33.7 lbs (15.31 kg) if battery and cushion is not removed.
Battery weighs 3.9 lbs (1.8 kg). Cushion weighs 1.2 lbs (0.54 kg).
