About Me

I'm a Creative Graphic Designer with a passion for turning ideas into clean, impactful visuals. I specialize in brand identity and social media design, focusing on work that is both visually engaging and strategically effective.

Experience

Graphic Designer – EXPACE 360
2026 January – Present

Design social media content and digital assets for brand campaigns
Create visuals aligned with brand identity and marketing goals

Graphic Designer – DHARA'25

Developed full visual branding, including logo and color system
Designed posters, banners, and social media graphics

Media Coordinator – SPECTRA'25 (Science Day)

Led visual identity and designed the event logo
Created motion graphics and stage visuals
Designed infographics, programs, and print materials
