

What is Summerbridge Hong Kong?

Founded in 1992, Summerbridge Hong Kong is a non-profit organization that creates unique educational opportunities for highly motivated, but socioeconomically underprivileged secondary school students in Hong Kong. It provides comprehensive year-round English immersion programs to develop students' language communication, self-confidence, and interest in the learning process through an intensive English Language Development curriculum, small class size, individual mentoring, and hands-on learning strategies.

Summerbridge Hong Kong is currently recruiting passionate and enthusiastic students to join the 2027 Summer Program as Student Teachers!

Successful applicants will have the chance to...

- train to design and deliver their own specialised curriculum
- gain valuable classroom experience
- develop leadership, organisational management, and event planning skills
- form life-long bonds with fellow teachers from around the world
