NOTICE REGARDING SHIPMENT OF INDUSTRIAL HEMP PRODUCTS

This package contains lawful hemp and should not be detained.

The hemp contained in this package is fully compliant with all Federal laws as well as the laws of the state in which it was cultivated. It has been lab tested and certified for Delta-9, Tetrahydrocannabinol (THC) concentrations below the legal guidelines. The laboratory's Certificate of Analysis (COA) is enclosed for confirmation of testing results. The COA will show Delta-9 THC concentrations do not exceed 0.3% which is the Federal limit set by the Agricultural Act of 2014 (commonly referred to as the "2014 Farm Bill") and the Agricultural Improvement Act of 2018 (commonly referred to as the "2018 Farm Bill")

Current Federal law specifically authorizes interstate commerce in, and transportation of, hemp.

Section 100114 of the 2018 Farm Bill states the following:

Interstate Commerce:

(a) Rule of construction. Nothing in this title or an amendment made by this title prohibits the interstate commerce of hemp (as defined in section 297A of the Agricultural Marketing Act of 1946 (as added by section 10113) or hemp products.

(b) Transportation of hemp and hemp products. No state or Indian Tribe shall prohibit the transportation or shipment of hemp and hemp products produced in accordance with subtitle G of the Agricultural Marketing Act of 1946 (as added by section 10113) through the State or territory of the Indian Tribe, as applicable.

This package conforms with the US Postal Service's Postal Bulletin 22521, "Publication 52 Revision: New Mailability Policy for Cannabis and Hemp-Related products", issued on June 6, 2019, which states:

"Under Postal Service regulations, including Publication 52, Part 212, mailers are responsible for their own compliance with all laws and regulations governing mailability. Following this revision, mailers will also be responsible for retaining documentation which shows that they are complying with all such laws. A mailer is not required to present the documentation at the time of mailing, but such documentation may be requested either at that time or on a later date if there is doubt about the item's mailability or the addressee's ability to legally receive it."

Specifically, this package meets the criteria set forth in the Postal Bulletin. First, the mailer is compliant with all applicable Federal, State and local laws pertaining to hemp production, processing, distribution and sales. Second, the mailer retains records establishing compliance with such laws, including laboratory test results, licenses and compliance reports for no less than 2 years after the date of mailing and will provide upon request. . .

Based on the above and the enclosed documents we respectfully request that you deliver this package to the recipient without delay.
