☐ Non-urgent / Regular Triage

☐ Semi-urgent | Reason: \_\_\_\_\_

### AFFECTED SITE(S)

(optional)

**Please fax completed form to: (604) 398-8125**

To ensure timely care, patients may be seen by the next available Skin-Focused GP. We will contact the patient with their appointment date and time. Dr. Dhandli is a GP with an interest in skin disorders, not a FRCPC dermatologist. Severe cases or those requiring complex/biologic therapy may be redirected. If you have not heard back from our clinic within five (5) business days, please re-send your referral.
