2. Christian Faith and Values Commitment

1. **Religious Affiliation**
    - As a Christian institution, Good News Christian Academy expects students to participate in religious activities such as prayer, Bible study, chapel services, and Christian teachings as part of the school curriculum.
    - Parents/guardians must be supportive of the school's faith-based mission and values.

3. Application Process

1. **Application Form**
    - Parents/guardians must complete the official application form, providing all required details and requested documents.
    - Submit the non-refundable $250 registration fee.
2. **Interview Process**
    - An interview with the student and their parents may be required to assess the student's fit with the school's values, educational approach, and available resources.

Required Documentation Parents/guardians must provide the following original documents during the registration process:

- **Child's Birth Certificate**: A copy including the names of both parents. If the child was born outside of Quebec, a translation into English or French is required.
- **Proof of Canadian Citizenship or Permanent Residency**: A copy of the document such as a Canadian birth certificate, citizenship card, or permanent resident card, if applicable.
- **Proof of Residency in Quebec**: A document such as a lease agreement, utility bill, or official government correspondence that verifies your current address in Quebec.
- **Parent's Proof of English Education**: Document that demonstrate at least one parent received their education in English in Canada, if applicable.
- **Child's RAMQ (Health Insurance) Card**: A copy of the child's health insurance card from the Régie de l'assurance maladie du Québec (RAMQ).
- **Recent Report Card or Transcript**: If the child is transferring from another school or from homeschooling, and entering grade 2 and above, must provide a transcript or report card from their previous school or the Learning Plan and Final report and evaluation/portfolio as submitted to the DEM.
- **Individualized Education Plan (IEP) and Professional Assessments**: Please provide a copy of the students' IEP, any professional assessments, or reports related to special educational needs. This is important for the school to evaluate the student's academic and support needs, if applicable.
