Admission Policy for Good News Christian Academy

Good News Christian Academy is a Christian school dedicated to providing high-quality education within a faith-based environment. We strive to nurture students' academic, moral, and spiritual growth in alignment with Christian values.

This Admission Policy outlines the criteria, process, and requirements for enrollment at Good News Christian Academy, ensuring that all admissions are transparent, fair, and equitable while following the provisions of the Quebec Ministry of Education.

1. General Admission Requirements

1. **Eligibility**
   - The school accepts students from pre-kindergarten through Grade 12.
   - The child must meet the minimum age requirement for their grade level as specified by the Quebec Ministry of Education.
   - Students must demonstrate a willingness to engage in the Christian teachings, faith practices, and values promoted by the school.
2. **Language Requirements**
   - Instruction at Good News Christian Academy is in English. Students should have a sufficient understanding of the language of instruction.
   - French is taught as a second language.
3. **Academic Record**
   - Students applying for grades 1 and above must provide a transcript or report card from their previous school or the Learning Plan and Final report and evaluation/portfolio if the student has been homeschooled to ensure continuity in their academic progress.
4. **Health and Special Needs**
   - Parents/guardians must disclose any medical conditions or special needs of their child during the application process.
