STUDENT & PARENT STUDIO AGREEMENT

Minor Student Enrollment | Version SDA-2026-09

WELCOME TO SIMPLY DANCING & ART

We want every family to understand how our program works before signing. This Agreement explains training, tuition, private lessons, competitions, travel, safety expectations, family responsibilities, and cancellation rights in clear language. Some sections at the end are more formal because Florida law requires specific wording for dance-studio contracts and minor-participant waivers.

This Agreement is between SIMPLY DANCING ART, INC., a Florida corporation doing business as Simply Dancing & Art ("SDA" or the "Studio"), and the parent or natural/legal guardian signing below ("Parent"), on behalf of the minor student ("Student").

1. Enrollment, Family Information & Communication

1. Parent authority

The Parent confirms authority to enroll the Student, make training decisions, and accept financial responsibility for the Family Account. Simply Dancing & Art is the Studio trade name; the legal entity is SIMPLY DANCING ART, INC.

2. Agreement term

This Agreement runs for twelve months unless it ends earlier under the withdrawal, statutory cancellation, or Studio-termination provisions. Routine changes to schedule, level, instructor, tuition, or private-lesson rate do not by themselves require a new legal Agreement.

3. Information and custody

The Parent will keep contact, billing, safety, emergency, and competition information current and will provide any court order or legal restriction affecting pickup, access, or communication. SDA follows valid legal documents and does not decide custody disputes.

4. Emergency contact and pickup

An emergency contact is not automatically authorized to pick up the Student. Alternate pickup requires advance Parent notice; SDA may reasonably verify identity.

2. Tuition, Billing & Family Account

5. Monthly tuition

Monthly tuition is annualized and divided into regular monthly installments. It does not vary with the exact number of classes in a month. Absences, vacations, school activities, competitions, holidays, planned Studio breaks, instructor travel, and special SDA events do not reduce monthly tuition.

6. Payment deadline

Monthly tuition must be received by the third calendar day of each month. Tuition received after the third is subject to a \$50 late fee. Reminders are a courtesy.

7. Payments

A payment is received when cleared funds are received. Declined, returned, reversed, or charged-back payments do not satisfy the underlying charge. No separate chargeback penalty applies.

8. Payment application

When the Parent identifies what a payment is for, SDA will apply it that way when reasonably possible. Without a designation, SDA may apply payment to the oldest outstanding eligible charge.

9. Family Account credit

Credit may be used for eligible charges for any child in the Family Account. Ordinary Family Account credit does not expire merely because a Student withdraws and may be used on future re-enrollment. It is not transferable to another family unless SDA approves in writing.

10. No ordinary proration

Monthly tuition is not prorated or refunded for ordinary absences, vacations, school events, competitions, or voluntary reduction in attendance. Committed competition, travel, costume, merchandise, special-order, camp, and master-class costs remain non-refundable to the extent SDA cannot recover them. Florida statutory rights remain unaffected.

11. Sibling pricing

Family pricing is by individual SDA agreement and is not automatic. Actual approved rates appear in Schedule A or an SDA written confirmation.

12. Fees

Initial registration is \$25. Re-enrollment after a completed withdrawal is \$25. These fees are separate from tuition and are non-refundable except where law requires otherwise.

13. Payment plans

SDA may approve an individual payment plan. While the Family follows it, an installment is not past due before its agreed due date. A missed installment may make the affected balance past due.

14. Thirty-day withdrawal

A Parent may withdraw the Student by giving thirty calendar days' written notice by email, Parent Portal, or text/WhatsApp to the official SDA contact. Oral notice and simply stopping attendance are not sufficient. Tuition continues through the notice period; already incurred or committed charges remain due.

15. Final month

If the thirty-day notice ends on or before the fifteenth day of the final month, one-half of that month's tuition applies. If it ends after the fifteenth, the full monthly rate applies.

16. Temporary pause

A pause requires prior written SDA approval. Dates, financial terms, and conditions are handled individually. A pause does not automatically reserve group placement, private time, or partnership.

17. Past-due accounts

A small balance does not automatically stop training. At \$2,500 past due, SDA may review the account and may limit additional services until the balance is addressed or an approved plan is in place. This is not an automatic suspension.

18. Official financial changes

Tuition, private rates, discounts, credits, competition commitments, payment arrangements, and withdrawal terms change only when SDA administration or the owner confirms them through an official channel.

19. Future rate changes

Regular tuition or lesson rates may change prospectively on at least thirty days' written notice, except when SDA and the Family agree to an earlier date because the Student changes program or level.

3. Private Lessons

20. Separate billing

Private lessons are always separate from monthly tuition. A standard SDA private lesson is forty-five minutes; guest/special sessions may differ.

21. Cancellation and lateness

At least twenty-four hours' notice allows cancellation/rescheduling without charge. Late cancellation or no-show may be charged in full. Student lateness does not extend the lesson. If the instructor is late, the Student receives the full paid time by extension or rescheduling/credit.

22. Instructor cancellation

If SDA or the instructor cancels, the Family is not required to accept a substitute time; the lesson is rescheduled or prepaid value remains as private-lesson credit.

23. Packages

Private packages are non-refundable, normally non-transferable, and expire six months after purchase. Late cancellations/no-shows may count as used. SDA may extend expiration in exceptional circumstances.

24. Standing time and required privates

Repeated cancellations may result in release of a standing weekly time. Some levels require regular private lessons, which are always separately paid; if the Family does not maintain them, SDA may recommend another level/program.

4. Group Classes, Ballet, Schedule & Placement

25. Per-class billing

Per-class students are charged only for classes attended. The full rate applies when attending, even if late or leaving early.

26. Make-up classes

A missed group/ballet class does not automatically create a refund, credit, or make-up. SDA may approve a make-up for illness with a medical note when a suitable age/level class is available. No cash compensation is due if no suitable make-up exists.

27. Holidays and competitions

Planned holidays, breaks, competitions, instructor travel, and annual-calendar changes are part of the annualized program and do not create a refund, credit, make-up, or proration. SDA may choose to reschedule an unscheduled Studio cancellation.

28. Vacation and pause

Family vacation does not reduce tuition. Extended absence requires an approved temporary pause.

29. Placement and attendance

SDA determines level/program based on age, experience, technique, attendance, readiness, goals, maturity, and ability to follow instruction. Advancement is not automatic by time enrolled.

30. Schedule/instructor changes

SDA may reasonably change schedules, groups, instructors, rooms, training format, and level placement. These changes do not automatically create a refund or bypass the withdrawal notice, though SDA may make an individual exception if attendance becomes objectively impossible.

5. Competitions & Partnerships

31. Participation and results

Competition-team membership does not guarantee every tournament. SDA determines/recommends readiness, dances, categories, entries, partnerships, and events. The Parent is not required to attend every recommended event. SDA does not guarantee placements, medals, rankings, scholarships, advancement, qualification, or a specific partner.

32. Commitment

Participation becomes financially committed when the Parent confirms in writing through Portal/email/text/WhatsApp or pays and SDA then makes or confirms entries/bookings. Unrecoverable committed costs remain due after withdrawal; recovered amounts are removed or credited.

33. Coaching

Competition coaching is separate from travel. It may include reserved event/session time, preparation, warm-up, coordination, heats, entries, days, and dances and is not limited to floor minutes.

34. Organizer changes and family travel

Organizers control schedules, categories, judging, check-in, and refunds. SDA refunds/credits amounts actually recovered plus anything law requires. The Family handles its own passports, visas, flights, hotels, meals, local transport, school absences, and timely arrival unless SDA organizes an item.

35. Appearance and merchandise

SDA may set age-appropriate costume, shoe, hair, makeup, grooming, and presentation requirements. Custom, altered, personalized, used, and special-order items may be non-refundable once ordered.

36. Partnerships

SDA may assist with partnerships but does not guarantee a partner or duration. Partnerships may change for age, height, level, goals, attendance, commitment, schedule, compatibility, coach recommendation, relocation, or family decisions. Ending a partnership does not cancel incurred charges.

6. Instructor & Coach Travel

37. Travel outside South Florida

For competitions, camps, and approved SDA events outside South Florida, participating students share reasonable instructor/coach travel expenses. Local South Florida events ordinarily carry no shared travel charge unless SDA gives advance notice of unusual travel.

38. Allocation

Travel is divided equally among participating students, not families. Two siblings count as two participants. A Student counts once the Family confirms and SDA makes or confirms the related commitment. Withdrawal after nonrecoverable travel is committed does not erase that Student's share.

39. Included costs

Reasonable airfare, baggage, hotel, airport/ground transportation, rideshare/taxi, rental car, fuel, tolls, parking, and necessary work-travel costs may be included. Meals are a fixed \$75 per diem per instructor/coach per necessary travel/work day. Personal entertainment, alcohol, shopping, and unrelated leisure are excluded.

40. Car travel and timing

For car travel, SDA may set a reasonable fixed trip amount based on distance, duration, tolls, and parking. SDA determines reasonable travel timing and necessary hotel nights based on flights, early sessions, preparation, safety, and logistics.

41. Estimate and reconciliation

SDA may collect an estimated travel share. If actual necessary costs are higher, an additional share is due; if materially lower, the difference becomes SDA Account Credit.

42. Multiple instructors and booking

If multiple instructors/coaches are reasonably required, their applicable travel costs may be pooled and divided among participating students. Parents should not independently book/pay instructor travel and deduct it without prior written SDA approval.

43. No travel-time fee

There is no separate fee merely for hours spent traveling. Competition work is covered by coaching fees; the travel pool covers trip expenses.

7. Guest Coaches, Camps, Special Events & Training Materials

44. Outside training

Competitive and advanced Students should discuss additional ballroom lessons, choreography, camps, or regular coaching with another studio or coach so training can be coordinated. This does not prohibit outside training.

45. Guest coaches

Guest-coach lessons and events may have separate prices, durations, deadlines, and cancellation terms. If no special rule is announced, the standard twenty-four-hour private cancellation rule applies to an individual lesson.

46. Camps, master classes, workshops, and special events

After registration/payment, these are non-refundable unless event-specific terms or law provide otherwise. No-show does not create a refund or credit. If SDA fully cancels, SDA refunds or credits as appropriate. If rescheduled, payment transfers to the new date.

47. Choreography and materials

The Student may use SDA-created choreography for personal training, performance, and competition. Full instructional recordings, lesson recordings, choreography notes, and internal teaching materials may not be sold, commercially used to teach others, or publicly presented as another person's original teaching material without permission. Normal competition/showcase video and reasonable short social clips are allowed.

8. Studio Environment, Parent Conduct & Student Behavior

48. Parent conduct during instruction

Parents may support and observe when observation is allowed, but may not coach from the sidelines, shout corrections or instructions, contradict the teacher, repeat instructions over the teacher, or interrupt active instruction except when necessary. Training questions should be discussed privately before or after class.

49. Observation and recording

SDA may allow observation or recording when safe and non-disruptive and may limit or close observation for concentration, choreography, competition preparation, safety, or productive training. Public posting of identifiable children other than one's own should respect privacy and consent.

50. Non-participating children and noise

Families are encouraged not to bring young siblings or non-participating children when possible. If present, they must remain supervised and quiet, may not run on the dance floor or interrupt instruction, and may be asked to leave the training area if disruptive. Parent conversations and device audio must not interfere.

51. Student conduct

Students must follow instructor directions, respect others, and avoid bullying, harassment, threats, humiliation, aggression, unsafe behavior, or serious disruption. SDA may stop participation and require pickup, and serious or repeated issues may lead to modified training, suspension, or termination.

52. Parent misconduct

Aggressive, threatening, abusive, harassing, insulting, unsafe, or seriously disruptive conduct is prohibited. SDA will ordinarily try communication first when appropriate but may require immediate departure or terminate enrollment when safety or serious misconduct requires it.

53. Weapons, drugs, smoking, vaping, and alcohol

Weapons, illegal drugs, intoxication, smoking, and vaping are prohibited on Studio premises and during SDA activities. Alcohol is not permitted during children's programming except at a separately designated lawful adult event where SDA expressly permits it.

54. Restricted areas and food

Students, parents, siblings, and visitors may enter only designated areas. Water and food are permitted only where SDA allows them. Parents are responsible for their child's allergies and should not give food to another child without that child's parent's permission.

55. Drop-off and pickup

SDA does not provide childcare substantially before or after scheduled training. Parents should not leave a Student significantly early without approval, should pick up promptly, and should notify SDA as soon as possible if delayed. SDA charges no late-pickup fee.

56. Independent departure

The default is NO independent departure. A Student may leave unaccompanied only with separate written Parent authorization. Alternate pickup requires advance notice.

57. Studio-related group communications

Studio group chats are for Studio-related purposes. Harassment, parent conflicts, spam, third-party advertising, insults, sharing another family's private information, or discussing another family's balance is prohibited. SDA may remove a participant from a group while continuing important notices through another available channel.

9. Health, Safety & Emergencies

58. Illness

Parents should not bring a Student with fever, vomiting, obvious contagious illness, or another condition creating unreasonable risk. By bringing the Student, the Parent confirms to the best of their knowledge that the Student is well enough to participate and that the Parent knows of no material contagion risk. SDA does not diagnose and cannot guarantee a disease-free environment.

59. Medical notes and return

A medical note is required only when requesting a make-up class for illness. SDA does not generally require medical clearance simply to return after an ordinary illness or injury. The Parent remains responsible for deciding fitness to participate.

60. Emergency response

SDA may contact the Parent and call 911 or other emergency services. If the Parent cannot be reached in time, SDA may provide responders with available information and act reasonably while awaiting professional help. The Family is responsible for emergency-care costs to the extent permitted by law.

61. Inherent physical risks

Dance involves physical risks including falls, collisions, partner contact, strains, sprains, bruising, overexertion, and injuries associated with movement, conditioning, floors, footwear, costumes, equipment, and actions of other participants. The separate Minor Participant Waiver addresses these risks in the form required by Florida law.

10. Media, Privacy, Property & Accommodations

62. Photo and video consent

Media consent is selected separately for each child as APPROVED, DECLINED, or LIMITED. If approved, SDA may use the Student's name, image, likeness, and voice for website, social media, digital advertising, print promotion, results posts, announcements, and related promotional or educational material without compensation. Declining consent does not affect training.

63. Changing consent

The Parent may change media consent prospectively in writing or through the Parent Portal. A change does not automatically require deletion or recall of material lawfully created or distributed before the change, to the extent permitted by law.

64. Incidental media

When consent is declined, SDA will make reasonable efforts not to intentionally use the Student as an identifiable promotional subject. SDA cannot guarantee that the Student will never appear incidentally in background footage or third-party material.

65. Parent Portal and privacy

The Parent Portal may contain student information, invoices, payments, balances, credits, agreements, and communications. Parents must protect login credentials and report suspected unauthorized access.

66. Personal property and Lost & Found

Families are responsible for phones, jewelry, shoes, costumes, bags, cash, and other property. SDA cannot guarantee unattended property. Lost items may be kept for a reasonable period and then donated or disposed of.

67. Damage to Studio property

A Family may be responsible for reasonable repair or replacement cost when Studio property is damaged intentionally or through clearly improper conduct, to the extent law permits. Ordinary accidents are not automatically charged.

68. Reasonable accommodations

Parents may notify SDA of a need for reasonable accommodation without being required by this Agreement to disclose a diagnosis. SDA will discuss individual options considering needs, safety, program requirements, and Studio capabilities.

69. Nondiscrimination

SDA seeks to provide training opportunities without unlawful discrimination. Differences in schedule, level, partnership, entries, or training plans may reflect legitimate age, readiness, safety, program, and training considerations.

11. Ending Enrollment by SDA; Studio Closure

70. Termination by SDA

If SDA terminates enrollment, no future tuition is charged after the effective date. Prepaid regular tuition for future services not provided is refunded or credited as appropriate. Charges already delivered, incurred, or committed remain due. The thirty-day withdrawal notice does not apply when SDA terminates.

71. Permanent closure or inability to provide a paid service

If SDA permanently discontinues a paid program or cannot provide prepaid future services and no reasonable replacement is available, SDA refunds or credits unused prepaid amounts attributable to services not provided, subject to Florida law. Ordinary holidays, planned breaks, competition travel, and reasonable schedule changes are not permanent closure.

12. Florida Dance Studio Act — Customer Cancellation Rights

72. Three-day cancellation right

The Parent may cancel this Agreement without penalty within three days after signing it, excluding weekends and holidays, by mailing or delivering written notice of cancellation to SDA. Any written expression of the Parent's intention not to be bound by the Agreement is sufficient. SDA will handle refunds for this cancellation in accordance with section 501.143, Florida Statutes.

73. Cancellation for death, disability, or cessation of services

After the three-day period, additional statutory cancellation rights may apply if the Student or Parent dies, becomes physically or mentally unable to use the lessons or services, or if the lessons or services cease to be offered as stated. SDA will handle charges, any permitted service fee, and refunds in accordance with section 501.143, Florida Statutes.

74. Statutory rights control

Nothing in this Agreement waives or limits a mandatory right or Studio duty that Florida law does not permit SDA to waive. If a Studio policy conflicts with a mandatory requirement of section 501.143, the statute controls.

13. General Legal Provisions

75. Adult students

A Student who is eighteen or older signs SDA's separate Adult Student Agreement. When a minor turns eighteen, the Student signs the Adult Agreement and child-specific pickup, guardian, and minor-waiver provisions stop applying. A Parent may remain payer, but one adult cannot sign another adult's liability release.

76. Official notices

Official notices to SDA may be sent by email, Parent Portal, or text or WhatsApp to the official SDA contact in Schedule A, except where Florida law specifically requires another delivery method. Notices to the Family may be sent to the contact information or Parent Portal on file.

77. Agreement changes

Material changes to legal terms require a new written or electronically accepted version. SDA may update Schedule A prospectively on at least thirty days' written notice, unless an earlier date is agreed because of a program or level change. Previously signed versions are preserved and not overwritten.

78. Entire agreement and no casual oral modification

This Agreement, Schedule A, Minor Participant Waiver, and signature elections form the agreement on these subjects. A casual statement inconsistent with them does not change the Family Account unless SDA administration or the owner confirms it through an official channel.

79. Severability and no waiver

If one provision is invalid or unenforceable, remaining provisions continue to the fullest extent permitted by law. SDA's decision not to enforce a provision once does not automatically waive it later.

80. Good-faith resolution of disputes

Before filing a lawsuit, each party should give the other written notice of the dispute and a thirty-day opportunity to resolve it, except when immediate court action is necessary for emergency relief or to preserve a filing deadline.

81. Governing law and venue

Florida law governs this Agreement. Any court proceeding concerning it will be brought in a court of competent jurisdiction in Broward County, Florida, unless applicable law requires otherwise.

82. Attorney's fees and costs

If a dispute reaches court, attorney's fees and costs will be awarded only as provided by applicable law or as a court determines under an enforceable contractual provision. The parties are encouraged to attempt good-faith resolution first.

83. Electronic signatures and records

This Agreement, renewals, amendments, and the Minor Participant Waiver may be signed electronically to the extent permitted by Florida law. SDA preserves signed versions with signer identity and relationship, date and time, acknowledgments, and media election and provides the Parent access to a copy.

14. Signature & Parent Elections

By signing below, I confirm that I have had the opportunity to read this Agreement, including the Florida cancellation rights, Schedule A, and the separate Minor Participant Waiver and Release. NOTICE TO THE MINOR CHILD'S NATURAL GUARDIAN

READ THIS FORM COMPLETELY AND CAREFULLY.

**YOU ARE AGREEING TO LET YOUR MINOR CHILD ENGAGE IN A
POTENTIALLY DANGEROUS ACTIVITY.**

YOUR CHILD MAY BE SERIOUSLY INJURED OR KILLED BY
PARTICIPATING IN THIS ACTIVITY.**

**BECAUSE THERE ARE CERTAIN DANGERS INHERENT IN THE ACTIVITY
WHICH CANNOT BE AVOIDED OR ELIMINATED.**

**BY SIGNING THIS FORM YOU ARE GIVING UP YOUR CHILD'S RIGHT AND
YOUR RIGHT TO RECOVER FROM SIMPLY DANCING ART, INC. IN A

**YOU HAVE THE RIGHT TO REFUSE TO SIGN THIS FORM, AND SIMPLY
DANCING ART, INC. HAS THE RIGHT TO REFUSE TO LET YOUR CHILD

Acknowledgment and Release

1. Activity

"Activity" means dance lessons, classes, rehearsals, practices, conditioning, competitions, showcases, camps, workshops, master classes, performances, related travel, and other SDA-organized or supervised events in which the Student participates.

2. Inherent risks

The Parent understands that dance is a physical activity with inherent risks that cannot be eliminated even with reasonable care. These may include falls, collisions, partner contact, strains, sprains, fractures, bruising, overexertion, cardiovascular events, injuries involving floors, equipment, footwear or costumes, travel-related risks, and negligent or intentional actions of other participants.

3. Release on behalf of the Student

To the extent permitted by section 744.301(3), Florida Statutes, the Parent, as natural guardian, waives and releases claims that would accrue to the Student against SIMPLY DANCING ART, INC. and its owners, affiliates, employees, and agents for personal injury, death, or property damage resulting from an inherent risk in the Activity. This release waives no more than Florida law permits.

4. Parent's own claims

On the Parent's own behalf, and to the fullest extent Florida law permits, the Parent releases claims arising from the Student's participation in the Activity, including claims associated with ordinary negligence. This does not extend to gross negligence, intentional misconduct, or liability that Florida law does not permit a party to release.

5. Assumption of risk

The Parent voluntarily accepts the inherent risks of the Activity on the Parent's own behalf and on behalf of the Student.

6. Fitness to participate

The Parent confirms that, to the Parent's knowledge, the Student is fit to participate and that any condition materially affecting safe participation has been disclosed to SDA in writing.

7. Emergency medical response

If the Parent cannot be reached in time during an emergency, SDA may contact emergency services and provide responders with available information. The Parent accepts financial responsibility for emergency treatment to the extent permitted by law.

8. Third-party claims

To the extent permitted by Florida law, the Parent is responsible for third-party claims caused by the Parent's or Student's intentional or negligent conduct or material violation of Studio safety rules. This provision should be reviewed and approved by SDA's attorney before final use.

9. Scope and duration

This Waiver applies during the term of the Student and Parent Studio Agreement and any valid renewal. If the Parent revokes a required waiver in writing, SDA may suspend future participation.

10. Signer authority

The signer confirms that they are a natural guardian within the meaning of Florida law and have authority to sign this Waiver. Where parents share parental responsibility, the signer confirms that no court order prohibits this decision.

11. Governing law and severability

Florida law governs this Waiver. If one portion is held unenforceable, the remaining portions continue to the extent permitted by law, and the statutory notice above remains part of the document.

12. Electronic signature

The Parent may sign electronically to the extent permitted by Florida law.

Signature of Parent or Natural Guardian

I have read this Waiver and Release, including the Notice to the Minor Child's Natural Guardian. I understand it and sign voluntarily. I understand that I have the right to refuse to sign and that SIMPLY DANCING ART, INC. may refuse to let my child participate if I do not sign.
