Debwe Services delivers federal business consulting, professional staffing, and strategic advisory to federal agencies and government contractors. Our principal built and ran a \$170M+ federal contracting operation across healthcare staffing, construction, facilities management, and joint ventures — bringing real operating depth to every engagement.

We serve federal agencies, gov-con firms, and organizations at any stage of their federal market journey — backed by a strategic partner network including a retired U.S. Navy Commander/PE and the founder of a 20+ year SDVOSB with \$4B+ in federal contract capacity.

CORE CAPABILITIES**CAPABILITY 01****Federal Business Consulting**

Organizational assessments, process improvement, market entry planning, and capture strategy — grounded in executive P&L; leadership, team building, and contract wins across eight federal agencies.
