

4/2/2023 Project Burn Victim: 1965 Porsche 356 Cabriolet SC

Will Phoenix rise again?

Valor Restorations lead a collaboration with Klaus Weiswurm and several key vendors to bring this beautiful car back to it's former glory.

The answer is yes, the question is how.

Look what one stuck carb can do...

Bodyworking the tub...

Body paint being laid down...

Beginning to look like a 356SC again...

Phoenix rising from the ashes...
