Dear Tyler John Meikle BAYLEY:

Based solely on the name(s) and date of birth provided by you on March 06, 2026, a search of the RCMP National Repository of Criminal Records did not identify any records with the name(s) and date of birth of the applicant. This check includes a search of sex offenders who were granted a record suspension.

Positive identification that a criminal record does or does not exist at the RCMP National Repository of Criminal Records can only be confirmed by fingerprint comparison. Delays do exist between a conviction being rendered in court, and the details being accessible on the RCMP National Repository of Criminal Records. Not all offences are reported to the RCMP National Repository of Criminal Records.

Please note that a record check is only a tool in promoting public safety. A record check is not a 'stamp of approval' from a police service. A 'clear' police record is a snapshot in time and not a guarantee of safety.
