- Emergency Repairs
- AS 2896–2021 Compliant
- OEM Standards

MEDICAL GAS EQUIPMENT (MGE)

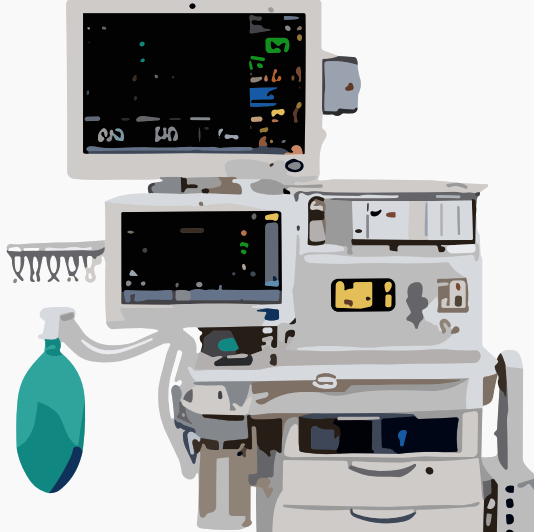

- Flowmeters
- Suction Attachments
- Mid-O-Gas
- Regulators
- Twin-O-Vac
- 3 Way Adaptors

BIOMEDICAL ENGINEERING

- Anaesthetic Machines
- Patient Monitors
- Ventilators
- Infusion Pumps
- Theatre Equipment
- Electrical Safety Testing
- Calibration
- Asset Management
- Preventative Maintenance
- Repairs & Servicing
- AS 3551–2012 Compliant
- OEM Standards

MECHANICAL SERVICES

- Beds (Electric & Manual)
- Lifters (Patient Lifting Equipment)
- Commodes
- Trolleys (Medical & Utility)
- Preventative Maintenance
- Repairs & Servicing
- Safety Inspections
- Compliance Support
- OEM Standards

OUR VALUES

INTEGRITY
We do what we say we will do.

SAFETY
Patient and staff safety is at the centre of every decision.

COMPLIANCE
We maintain the highest standards of regulatory and technical compliance.

RESPONSIVENESS
We deliver timely support when healthcare facilities need it most.

WHY CHOOSE CG MEDICAL?

LICENSED & QUALIFIED
Licensed medical gas tradespeople operating under nominated Medical Gas Supervisors.

COMPLIANCE FOCUSED
Full compliance with AS 2896–2021, AS 3551–2012, legislation and healthcare accreditation standards.

EXPERIENCED TEAM
Skilled technicians and engineers with extensive healthcare industry experience.

RESPONSIVE SUPPORT
24/7 emergency support and fast turnaround for critical healthcare infrastructure.

NATIONAL COVERAGE
Supporting metropolitan, regional and remote healthcare facilities across Australia.

QUALITY ASSURED
We service to Original Equipment Manufacturer (OEM) standards.
