

Healthcare that Fits Your Life

Easy Access. One affordable price.

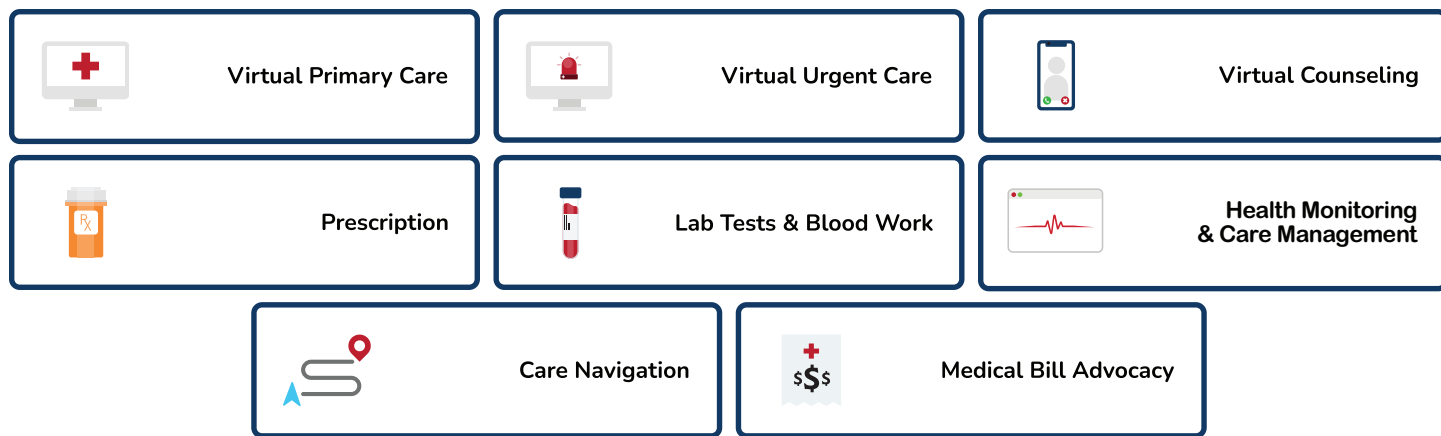

Vital Direct™ makes it easier for you to take charge of your health for one monthly price and no surprise bills. And family members can access services too for no additional cost!

Healthcare Whenever and Wherever You Need It

Vital Direct is designed to keep you and your family feeling your best with easy access to a wide range of healthcare services. You'll get prescriptions, labwork, and virtual care access from a nationwide network of providers, and more.

Your Vital Direct member portal makes it easy to manage your benefits, wellness tools, and rewards – all in one place.

Measure Key Vitals Immediately with Advanced Facial Scanning.

In under a minute, a simple selfie video you take with your phone becomes a powerful health check. The Vital Direct Facial Scan analyzes your video to measure 22 key indicators—like heart rate, blood pressure, and stress level—giving you real-time insights.

I had a late night health scare and was able to connect with a doctor instantly through the app. No waiting rooms – it is amazing.
