Recommendation Letter

I am writing on behalf of the General Currie PAC (Parent Advisory Council) to express our appreciation for the exceptional martial arts workshops conducted by Josiah Kicks Academy at our school in late January 2023.

For the younger students of Grade K to Grade 3, the workshops focused on martial arts for self-esteem, highlighting the importance of physical abilities in boosting confidence. The interactive and engaging sessions captured the attention of the children, encouraging them to explore their own potential and develop a sense of self-worth. The instructors displayed remarkable skill in creating a supportive environment that allowed each child to thrive and gain a deeper understanding of their capabilities.

In the case of the Grade 4 to 7 classes, Josiah Kicks Academy provided workshops centered around bully-proofing techniques. The content addressed unequal power dynamics in relationships, and the instructors skillfully guided the students through discussions and role-playing scenarios to effectively address and resolve various bullying situations. This approach not only enhanced their physical abilities but also equipped them with valuable tools to navigate interpersonal challenges, promoting a safer and more inclusive school environment.

The feedback we received from students and parents alike has been very positive. The enthusiasm and passion demonstrated by Josiah Kicks Academy instructors were contagious, fostering an atmosphere of respect, collaboration, and personal growth.

On behalf of the General Currie PAC, we would like to extend our sincere gratitude to Josiah Kicks Academy for their dedication to empowering our students and promoting a culture of respect and self-confidence. We highly recommend Josiah Kicks Academy to any educational institution seeking a dynamic and impactful martial arts program.

Thank you once again for your outstanding contribution to our school community.

Sincerely,

Susie Su
